Dinner with the Speaker

There will be a no-host speaker's dinner prior to the meeting at the nearby "State and A Bar and Grill" at

1201 State Street (corner of State & Anapamu) starting at 5:00 PM. Because seating on its patio is limited and many people are expected to attend, Gene Baum is compiling reservations for this speaker's dinner (please e-mail him at benjidelmar@earthlink.net). Tables will be served as they fill between 5:00 and 6:00 PM. Prices at the "State and A" range from \$9–12 for salads or sandwiches to \$15–22 for complete dinners.
